This lovely and unique panel can be used in many ways!

Here are a few ideas:

- Add borders, quilt and bind the panel to form a wall hanging.
- Use the panel as the center of a larger quilt by adding additional pieced or appliqued borders.
- Insert fabric strips to form "window panes" around your tree.
- Some ideas for embellishing your tree:

Use the coordinating fabrics to make 3-D leaves and flowers.

Add yo-yos, buttons, fibers, flower appliques or fussy cut birds.

Use decorative threads to add dimension to the bark and leaves.

- Use the panel as a "family tree" by adding small photos and mementos to the branches.
- Use the panel as the back of a jacket or vest.
